Watch the BOSS Experience

One school,
one family.

Welcome to... **The BOSS Spring Experience 2027**

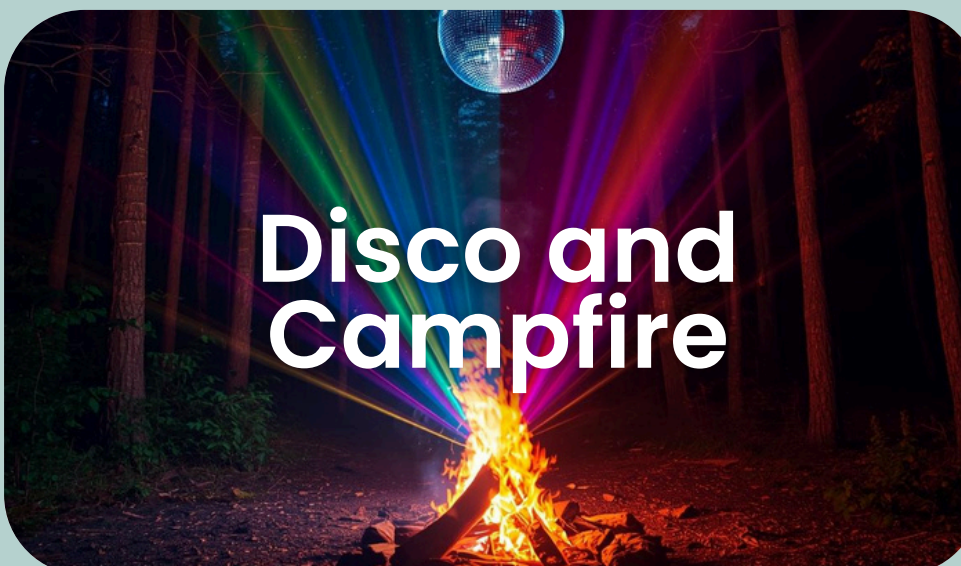

The BOSS Spring Experience is a three-week residential course designed for young learners aged 8 to 17. Set in the English countryside, it combines high-quality English lessons with unforgettable experiences, giving every student the chance to learn, explore and grow in a safe and supportive environment.

Each day is packed with learning, creativity and adventure. Students take part in engaging English lessons, leadership sessions and a full programme of sports, arts, games and excursions to famous places such as London, Brighton and Hastings. Every activity is designed to build confidence, communication and teamwork while making lasting international friendships.

At BOSS, we believe that learning happens everywhere. Whether in the classroom, on the sports field or during an evening activity, every moment helps students develop independence, curiosity and a sense of belonging. We call it '*being BOSS*' — a community where everyone is encouraged to shine.

A Little Note from the BOSS Team

This programme gives you a good idea of what to expect during your time at BOSS. While we do our very best to keep everything just as planned, sometimes changes are needed due to circumstances beyond our control.

If any adjustments are made, we'll always provide activities or excursions of equal or greater value — and we'll make sure everyone is informed in good time. Returning students or those who have already visited a planned attraction will be offered exciting alternatives.

If you have any questions, please get in touch with us at summerschool@buckswood.co.uk or [visit our website](#).

We can't wait to welcome you to BOSS — every day here has something new to discover.
